ADVENTURELAND

Our LOBBIES are now... OPEN

We are excited to announce that we have reopened our lobby doors.

However, we are doing so in adherence to guidance set forth by our public health experts and the Centers for Disease Control and Prevention. We want to proceed with caution, so we ask that you continue to practice safe and healthy illness prevention methods inside our facilities when you visit.

To ensure safety, we ask all staff & members to:

- **Clean hands often**—Wash your hands with soap and water or use hand sanitizer, especially after touching frequently used items or surfaces.
- **Avoid close contact**—Please maintain social distance in our lobbies by allowing 6 feet of space between you and others. Please refrain from shaking hands or having other exchanges that could jeopardize our collective health.
- **Maintain personal space**—Keep extra space between yourself and others in line.
- **Cover coughs and sneezes**—Remember to always cover your mouth and nose with a tissue or with the inside of your elbow when you cough or sneeze. Throw used tissues in the trash and wash your hands.
- **Wear a mask**—While facemasks are not mandatory, you should strongly consider using face coverings while in public.
- **Clean & disinfect**—We will continue to follow proper cleaning protocol of our locations, ATM, electronics and surfaces.
- **Stay home when ill**—Please stay home if you are feeling ill and use our many remote banking options instead of visiting our offices.
