70 Years Serving our Community

The History of Journey Credit Union

Journey Credit Union has a rich history that began in Des Moines, Iowa, on May 6th, 1954 when the articles of incorporation were signed and Local #45 Credit Union was founded. We've come a long way since then, expanding our services to cater to all trade unions and contractors, leading to our transformation into Tradesmen Credit Union.

In 2000, we took a pivotal step by becoming Tradesmen Community Credit Union, extending our reach to serve Polk County and its surrounding areas. Then, in 2019, we embraced a new identity as Journey Credit Union, reflecting our commitment to guiding our members on their financial journey. Throughout these changes, one thing has remained constant: **our dedication to serving both trade unions and the wider community, ensuring financial success for all our members.**

Giving Back to our Community

Proudly Contributing to Meaningful Causes

This year, we've been actively involved in our community, raising funds through handmade Christmas wreath donations, garnering \$222 for our local food bank. Additionally, our staff raised \$1,500 for Blank Children's Hospital Cancer Research Center via voluntary payroll deductions. We're proud to support our community through our charitable contributions.
